

**Request for Proposal (RFP)**  
*Commodity Monetization Services*

**Date:** August 1, 2017

**Subject:** Request for Proposal

TechnoServe Inc., Washington DC, invites your firm to participate in this competitive solicitation for pricing, delivery and terms of potential sale on the following service for TechnoServe office in Honduras.

**INTRODUCTION**

TechnoServe is a nonprofit, non-governmental organization that provides technical assistance and business advisory services to entrepreneurs and farmers in Africa, Asia and Latin America, including Honduras.

**BACKGROUND**

TechnoServe seeks to monetize a U.S. donation of approximately 35,000 MT of soybean meal – or equivalent amount of another commodity – in Honduras, in order to fund an economic development program for smallholder coffee and dry-bean farmers. In order to minimize the impact of monetizing the commodity on the domestic market, the monetization is expected to be conducted in stages over a three-year period or until the program ends.

**GENERAL REQUIREMENTS & SCOPE OF WORK**

1. Monetization Agent will review and update as necessary a preliminary monetization plan for TechnoServe monetization of commodities. The monetization plan should endeavor to maximize the proceeds generated by the monetization and optimize the available freight budget. The plan will be presented to TechnoServe for approval prior to conducting sales and will include: proposed sales methodology; proposed timing of commodity shipments; identification of potential purchasers of monetization commodities; applicable import requirements and identification of any potential risks re: import of commodity; a contingency plan in the event that programmed tonnages cannot be sold as planned. Monetization Agent will then implement the plan as approved by TechnoServe.
2. Monetization consultant will act as TechnoServe's agent and be responsible for the sale of the commodity and provide the following services: prepare tender documentation, advertise sale if

using public tender methodology, review and summarize bids, recommend buyer, negotiate and prepare sales contracts, work with financial institutions to secure payments, prepare call forward for commodities, coordinate logistics and documentation with TechnoServe appointed freight forwarder, oversee timely receipt of payment. The sale of the commodities must comply with USDA regulations 7 CFR 1499.

**PERIOD OF PERFORMANCE**

The period of performance of any contract resulting from this solicitation is anticipated to begin on or about October 1, 2017, for a duration of approximately three years, or until all commodities are monetized. Proposals shall detail the estimated length of time required to accomplish all requirements, with detail on individual activity implementation dates, as referenced in the Scope of Work.

**CRITERIA FOR SELECTION**

The evaluation of each response to this RFP will be based on the requirements set out in the solicitation and any addenda thereto. At the sole discretion of TechnoServe, the top proposals may be selected for follow-up questions or to provide an oral presentation.
