

TechnoServe India

OUR HISTORY

American businessman Ed Bullard traveled to Ghana with his family in 1963 for a year of volunteer service. Ed was captivated by the spirit of the Ghanaian people, but appalled by the depth of poverty. In 1968, he launched TechnoServe with a vision to create a different kind of nonprofit, one that would connect poor people to information and markets.

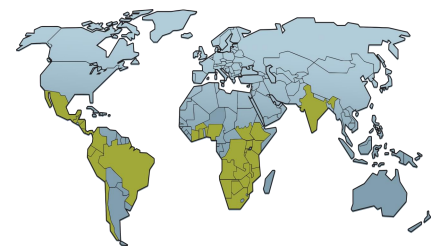

WHAT WE DO

TechnoServe is a leader in harnessing the power of the private sector to help people lift themselves out of poverty. A nonprofit organization operating in 29 countries with 50 years of proven results, we work with enterprising men and women in the developing world to build competitive farms, businesses and industries. Our key thematic focus areas are:

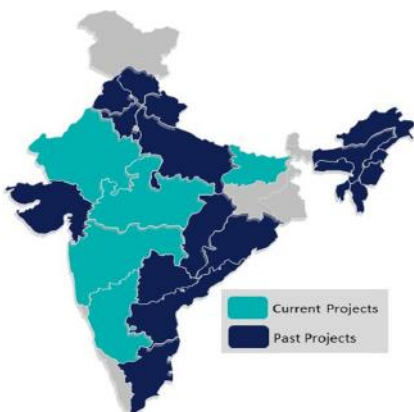

-  **AGRICULTURAL VALUE CHAINS**
-  **SKILLS DEVELOPMENT AND LIVELIHOODS**
-  **ENTREPRENUERSHIP**
-  **LOCAL ECONOMIC DEVELOPMENT**
